ASSIST FOAM MARKER | READ LABEL CAREFULLY BEFORE USING

This product must not be used for any purpose, or in any manner, contrary to the label unless authorised under appropriate legislation.

HAZARD STATEMENTS	
TOXICITY Harmful – causes skin irritation and serious eye irritation.	ECOTOXICITY May cause long lasting harmful effects to aquatic life. May cause long lasting harmful affects to aquatic life. Avoid contamination of any water supply with chemical or empty container.

HANDLING PRECAUTIONS	
STORAGE Keep out of reach of children. Store in accordance with NZS 8409 Management of Agrichemicals. Store in original container tightly closed in a locked, dry, cool, well ventilated area away from foodstuffs, fertilisers and seeds. Stores containing 10,000L of ASSIST FOAM MARKER are subject to signage and secondary containment. More than 10,000L require emergency response plans.	EQUIPMENT Apply using well maintained and accurately calibrated equipment. Flush equipment thoroughly with clean water after use.
PERSONAL PROTECTION Avoid contact with skin, eyes and inhalation of spray mist. When handling wear protective clothing such as gloves, eye protection, overalls and boots. Wash splashes of concentrate from skin and eyes immediately. Remove protective clothing and wash hands and face thoroughly before meals and after work. Do not eat, drink or smoke while using.	RECORD KEEPING Records of use as described in NZS 8409 Management of Agrichemicals must be kept.
	DISPOSAL Triple rinse container and add rinsate to spray tank. Triple rinsed containers containing the Agrecovery logo on the label and that are free of all residues and have an intact legible label may be taken to an Agrecovery collection site for disposal. Otherwise crush or puncture and bury in an approved landfill. Do not burn container. Do not use container for any other purpose. Dispose of product only by using according to label directions or dispose of safely at a managed landfill.

WARRANTY AND LIMITATION
IMPORTANT: Read this notice before opening the container.
 The registrant warrants that when packed the active ingredient of this product is as specified on this label within accepted analytical tolerances. The registrant gives only those other warranties that are required by law in relation to this product and limits its liability to the cost paid by the claimant for the product. The registrant declines all liability for damage resulting from the handling, storage or use of this product. The user bears the risk from the handling, storage or use of this product. The registrant is not liable for any use of this product which is contrary to the label directions given or any Act or Regulation.

FIRST AID
 If swallowed, DO NOT induce vomiting. If skin or hair contact occurs, remove contaminated clothing and flush skin and hair with running water. If skin irritation occurs: Get medical advice. Wash contaminated clothing before re-use. If splashed in eyes, wash out immediately with water. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. If inhaled, move the patient to fresh air immediately. Begin artificial respiration if breathing has stopped. For advice, contact the National Poisons Centre 0800 POISON (0800 764 766).

SPILLAGE
 In case of spillage, wear appropriate protective clothing and prevent material from entering waterways. Exclude non-essential people from the area. Contain liquid spills and absorb with inert material such as soil or sand and place in waste containers. Wash area with water and absorb with further inert material. Dispose of waste safely in an approved landfill.

EMERGENCY RESPONSE
 In transport emergency call 111, Police or Fire Brigade. For 24hr specialist advice in an emergency only call **0800 CHEMCALL (0800 243 622).**

SAFETY DATA SHEET
 If additional safety information is required, refer to the Safety Data Sheet. For a copy, contact the customer centre on 0800 100 123.

TRANSPORT
 Do not carry this product on a passenger service vehicle.

SHELF LIFE
 When stored appropriately this product should show no significant degradation for two years from the date of manufacture. Contact your supplier for further information about the use of any product that is older than this.

MIXING Measure the required amount of ASSIST FOAM MARKER when foam generator tank is nearly full. Mix thoroughly.	
GENERAL DIRECTIONS ASSIST FOAM MARKER is a concentrated foam detergent suitable for use through all foam marking systems. It forms dense white foam blobs that are clearly visible and long lasting.	
RATE	CRITICAL COMMENTS
1L per 100L or 10ml in 1L of water	Over dilution or high pressure may cause frequent low standing blobs.

Approved pursuant to the HSNO Act 1996, Code: HSR002503. See www.epa.govt.nz for approval controls.

Agrecovery is available on plastic containers up to 60L and for plastic or steel large drums from 61L - 1000L.
