EMERGENCY PROCEDURES

24 HOUR ADVICE IN AN EMERGENCY ONLY: 0800 844 455

IF THIS HAPPENS	DO THIS
Tanker/Vehicle Accident	Switch off engine and electrical equipment. Keep people away, warn other traffic. Check for spills, leaks. Call the emergency services: Dial 111
Spill or leak	Isolate area. DO NOT touch or walk through spilled material. Keep unnecessary and unprotected personnel from entering the area. Wear facemask or goggles, chemical resistant overalls (buttoned to neck and wrist), gloves and boots. Keep upwind of spill. Ventilate area of leak or spill. No smoking in area. Spills of these organic materials on hot fibrous insulations may lead to lowering of the auto-ignition temperatures possibly resulting in spontaneous combustion. Stop leak if safe to do so. Dike area and prevent entry into waterways and drains. Small spills/leaks: Absorb with material such as sand, soil or clay. Collect spilled product and place into sealable, properly labelled container for disposal. Seek advice from the SDS, product label or Dow AgroSciences regarding disposal. Large spills/leaks: Report large spills to Dow AgroSciences Emergency Services at 0800 844 455.
Fire	Call the Fire Service: Dial 111. Fumes and combustion products produced in a fire may be toxic and/or irritating. Small fire: Use water fog or fine spray, dry chemical, CO ₂ or foam. Large fire: Use foam or water fog. Do not use direct water stream; may spread fire. If safe to do so, move undamaged containers from fire area. Deny unnecessary entry. Do not allow material or run-off to enter waterways.

FIRST AID

If Swallowed:	No emergency medical treatment necessary. Do not give anything by mouth to an unconscious person.
If in Eyes:	Hold eyes open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, and then continue rinsing eyes. Call the National Poisons Information Centre or doctor for treatment advice. Suitable emergency eye wash facility should be available in the work area.
If on Skin:	Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison information centre or doctor for treatment advice. Suitable emergency shower facility should be available in the work area.
If Inhaled:	Move person to fresh air. If person is not breathing, call an emergency responder or ambulance, then give artificial respiration; if by mouth to mouth use rescuer protection (pocket mask, etc). Call a poison information centre or doctor for treatment advice.

STORAGE AND SEGREGATION

Storage: Store in tightly closed original container in a cool, dry well-ventilated area out of direct sunlight when not in use. This product can be stored in an unheated building. Do not store with food, feedstuffs, fertilizers and seeds. See product label for further handling/storage precautions relative to the end use of this product.**AGGREGATE STORAGE VOLUME THRESHOLDS:** When stored with substances of the same hazard the aggregate quantity must be considered. For full details refer to the current NZS8409 Management of Agrichemicals or the Hazardous Substances Regulations.
