

Superphosphate

BATCH NUMBER:**BAGGING DATE:**

Read label carefully and obtain special instructions before use. Do not handle until all safety precautions have been read and understood.

PRODUCT DESCRIPTION

Superphosphate is a phosphorus- and sulphur-based fertiliser that is ideal for optimum plant establishment and growth. Both the phosphorus and sulphur are in readily available forms for immediate plant uptake.

DIRECTIONS FOR USE

Prior to planting apply 75-100 grams/ square metre. Maintenance apply 30-45 grams/square metre. Ensure that product is well watered into soil and washed off plant leaves into the soil. It is not recommended for use in potted plants. Avoid fertiliser contacting paths, hard surfaces and driveways as the fertiliser may stain or discolour these surfaces.

COMPONENTS

Nitrogen (N): 0.0%. Phosphorus (P): 9.0%. Potassium (K): 0.0%. Sulphur (S): 11.0%. Magnesium (Mg): 0.0%. Calcium (Ca): 20.0%.

CONTAINS

Superphosphate 100%

HANDLING PRECUATIONS AND STORAGE**HANDLING**

Avoid generating dusts, do not breathe dusts. If additional safety information is required, refer to the Safety Data Sheet (SDS). For a copy of the SDS phone 0800 100 123.

STORAGE

Store in a cool, dry, well-ventilated area.

WARNINGS AND FIRST AID MEASURES**TOXICITY DATA**

HSNO Classes: *Note: acute toxicity Category 5 has not been adopted; Note: skin irritation Category 3 has not been adopted; eye irritation Category 2 Note: The subcategories 2A and 2B have not been adopted.*

Low toxicity, no adverse health effects expected under normal conditions.

ECOLOGICAL INFORMATION

HSNO Class: hazardous to the aquatic environment chronic Category 4 *Note: hazardous to the aquatic environment acute Category 2 and acute Category 3 have not been adopted.*

Avoid unintended release into streams and waterways.

IF IN EYES

Flush with plenty of water for several minutes, holding eyelids open if necessary. Remove contact lenses if present and easy to do. Seek medical advice.
